

PECB

PECB Certified ISO 20700 Lead Management Consultant

Mastering the practices of Management Consulting based on ISO 20700

Why should you attend?

PECB Certified ISO 20700 Lead Management Consultant training enables the participant to develop the necessary expertise and knowledge to support and lead an organization and its team to successfully identify, understand and manage a consulting process based on ISO 20700. During this training course, you will also gain comprehensive knowledge of the best practices used to implement a Management Consulting framework that provides the foundation for designing, implementing, monitoring, reviewing and continually improving a Management Consulting process in an organization.

After mastering all the necessary concepts of Management Consulting, you can sit for the exam and apply for “PECB Certified ISO 20700 Lead Management Consultant” credentials. By holding a PECB Certificate, you will be able to demonstrate that you have the professional capabilities and competencies to effectively manage a consulting process in an organization.
